WARNING

Causes eye and skin irritation.
May cause respiratory irritation.

PRECAUTIONARY STATEMENT

Product is not hazardous under normal conditions. Handle this product properly. To assure optimum quality and performance, use clean, and well maintained equipment.

HAZARDS

If Inhaled: Dusts of this material are considered nuisance type dusts and are not considered an inhalation hazard. Inhalation of nuisance dusts may induce or aggravate respiratory discomfort. Approved dust respirators should be used when dust is present. When handling in an enclosed area, adequate ventilation should be employed to move dust. If inhaled remove to fresh air. When exposed to heat, decomposition yields ammonia.

If Skin Contact: Flush with water and wash thoroughly with soap and water. Repeat as necessary. Prolonged contact may cause mild dermatitis.

If in Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing for at least 15 minutes. Seek medical attention if irritation persists.

If Swallowed: Do **NOT** induce vomiting. Drink large amounts of water. Never give anything by mouth to an unconscious person. Seek medical attention.

Acute Health Hazards: Ingestion may cause corrosive damage to the digestive tract.

Chronic Health Hazards: No known long term effects.

Warranty:

Seller warrants that the product conforms to its chemical composition and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.
